

Technical Bulletin

DP02	TB0007-2006	Elan Motorsports Technologies	
From:	Christian Rushforth		
Subject:	Throttle Cable	Date:	November 21st, 2006

Attention all Elan DP02 2006 teams

It is recommended that a revised high specification throttle cable be fitted to all cars to eliminate any of the sticking issues seen with the original cables.

New cable part No: **DP02-15-014 THROTTLE CABLE HIGH TEMP**
Replaces original part No: 02LM100

*Notes: Parts prices & delivery available upon request
All cars #16 onward will already have this new component fitted before delivery to customers*
