

Technical Bulletin

DP02	TB0011-2007	Elan Motorsports Technologies	
From:	Christian Rushforth		
Subject:	Rear Tow Eye	Date:	February 6th, 2007

Attention all Elan DP02 teams

Rear tow eyes are a mandated requirement that need to be fitted to all cars before the first event at Sebring in March 2007.

Rear tow eyes will be available from Comprenet Motorsport at the circuit starting Monday 12th March Part No. DP02-30-042

Front tow eyes will also be required for future events and an additional kit will be available for sale shortly.
