| <b>From:</b>    | Christian Rushforth             |                               |                              |
| <b>Subject:</b> | <i>Rear Louvre Panel Option</i> | <b>Date:</b>                  | April 9 <sup>th</sup> , 2007 |

Attention all Elan DP02 teams

Available to order are optional rear louvre panels, Part No. DP02-40-017 / 018, the part is expected to add rear down force at the expense of drag.

*Note: This Louvre panel is a homologated component and is the only version that can be used.*
