

Technical Bulletin

DP02	TB0022-2007	Elan Motorsports Technologies	
From:	Chip Lewis		
Subject:	<i>Flatshift Kit</i>	Date:	December 11 th , 2007

Attention all Elan DP02 teams

Available to order is an optional Flatshift Kit, Part No. ADP02-15014. The flatshift kit will allow for upshifts without lifting off the throttle, or using the clutch. The kit will install in any new car (delivery in 2008), without modification of the chassis harness. If you have an older car please contact Brian Sakata at Sakata Motorsports Electronics (714-446-9473) to schedule the update of your chassis harness.

Parts prices and delivery information available upon request from Comprent Motorsports.
