

Technical Bulletin

DP02	TB0029-2008	Elan Motorsports Technologies	
From:	Brian Frankum		
Subject:	<i>Tunnel Floor Trailing Edge Skids</i>	Date:	June 25 th , 2008

Attention all Elan DP02 teams

A pair of optional skids is available for the diffuser section of the tunnel floors. These jabroc pieces will help protect the diffuser from rubbing against the road and wearing.

DP02 Tunnel Trailing Edge Skids

Please contact Kevin Kloefer at Comprent Motor Sports (phone: 706-543-1797, email: kevin@comprent.net) for price and availability.
