

Technical Bulletin

DP02	TB0030-2008	Elan Motorsports Technologies	
From:	Brian Frankum		
Subject:	<i>Tunnel Floor Capping Strips & Front Skid</i>	Date:	July 22 nd , 2008

Attention all Elan DP02 teams

An optional front skid plate (DP02-40-075) is available for purchase. In addition, capping strips are available for the inboard (DP02-40-074) and outboard (DP02-40-073) leading edge of the tunnel floors. Quantity 2 each, of the capping strips, are needed for a car set. They may be attached to the floors using 1/8" countersunk blind rivets.
