## Attention all Elan DP02 teams

EMT has released a new hub bolt kit. The kit includes 6 bolts with washers and nuts. This hardware is stronger than the standard units and fits the following vehicles:

1. DP02 – Front and rear hubs
2. Star Mazda – Front and rear hubs

The kit is, **ADP02-10017 Hub Bolt Kit – Corner Assembly.**

The kit includes the following items:

1. 6 12pt NAS Bolts
2. 6 K-nuts
3. 6 NAS washers for 12pt bolts (replaces the 94D0001TH units that the cars were delivered with)
4. 6 thin NAS washers

The thin washers are only required on the front hubs (where the trigger wheels are).

One kit services one corner of the car. The retail price for the kit is \$66.00
